Independent Auditors' Report

The Board of Directors

Mountain States Legal Foundation
Lakewood, Colorado

We have audited the accompanying statement of financial position of Mountain States Legal Foundation (the "Foundation") (a nonprofit organization) as of December 31, 2006, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Foundation's 2005 financial statements and, in our report dated March 16, 2006, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Note 1 - Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations Mountain States Legal Foundation (the "Foundation") is organized as a nonprofit corporation. The Foundation was created to bring litigation in the public interest in order to effect legal reform. Such litigation involves the representation of clients individually. The nature and extent of such representation varies depending upon the facts and circumstances of each case. The Foundation's Articles of Incorporation do not provide for the Issuance of certificates of capital stock. Additionally, no part of the fund balance shall inure to the benefit of, or be distributable to its members, board of directors, officers or other persons. The Foundation is exempt from federal and state income taxes pursuant to the provisions of Section 501(c)(3) of the Internal Revenue Code. The Foundation is a publicly supported charity under Sections 509(a)(1) and 170(b)(1)(A)(VI) of the code, and contributions to the Foundation are deductible.

Basis of Presentation Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The financial statements have been presented using the accrual basis of accounting.

<u>Estimates</u> The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities et the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Cash and Cash Equivalents</u> The Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

<u>Investments</u> The Foundation carries investments in marketable securities at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

<u>Property end Equipment</u> Property and equipment are stated at cost. The cost and accumulated depreciation or amortization of items sold or retired are removed from the respective accounts and the resulting gain or loss is included in revenues or expenses in the period in which the items are sold or retired. Maintenance and repairs are charged to expense as incurred. Major renewals and improvements are capitalized and depreciated over their useful lives.

Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the related essets ranging from 8 to 40 years. The initial costs of assets capitalized at the Foundation's inception, are now fully depreciated. Current additions to library are charged to expense.

<u>In-Kind Contributions</u> In-kind contributions are recorded at the fair market value of the donated asset. In-kind contributions totaled \$3,636 for 2006.

<u>Functional Expenses</u> Certain expenses, including salaries, travel and office expenses are allocated among functional expense classifications based on management's estimates of effort expended.

<u>Comperetive Financial Information</u> The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2005, from which the summarized information was derived.

Note 2 - Concentrations

Certain cash deposits at the Foundation's financial institutions exceed the FDIC's insured amount of \$100,000.

Note 3- Beneficial Interest in Assets Held by the Denver Foundation

The Mountain States Legal Foundation ("MSLF") Endowment Fund was originally established in 1995, as amended and restated in 2000, at the Denver Foundation. Under the terms of the agency agreement, the Denver Foundation shall hold, manage, invest, administer and distribute all such assets in one or more endowment funds known as the Mountain States Legal Foundation Fund.

The Denver Foundation holds investments on behalf of MSLF in two funds; an endowment fund, and an income depletion fund. The income depletion fund is funded from transfers from the endowment fund according to provisions in the agency agreement. MSLF has full access to both the principal and interest in the income depletion fund. Principal contributions to the endowment fund are permanently restricted.

The Foundation records investments held by the Denver Foundation pursuant to SFAS No. 136, Transfers of Assets to e Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others. Accordingly, it has recorded an asset on the statement of financial position for the investments held by the Denver Foundation. At December 31, 2006, \$606,129 of the \$1,139,518 of assets held by the Denver Foundation are permanently restricted.

Note 4- Investments

The Foundation's investments at December 31, 2006 are stated at fair value and consist of highgrade corporate and government bonds, as follows:

Note 5 - Retirement Plans

Money Purchase Retirement Plen Substantially all employees (with the exception of one officer who has elected out of coverage) of the Foundation are covered by a money purchase retirement plan. The method of determining monthly plan contributions is based upon 7% of eligible participants' salaries. The Foundation's contribution to the trusteed fund, net of forfeitures for terminated employees, amounted to \$33,700 and \$27,399 for the years ended December 31, 2006 and 2005, respectively.

<u>Tax-Deferred Annuity Plen</u> The Foundation sponsors a non-contributory tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code. Employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code if they wish.

Note 8 - Allocation of Joint Costs

The organization conducts activities that include requests for contributions, as well as program and management and general components. These activities include direct mail campaigns. The Foundation also engages the services of an outside professional fundraising service firm. The costs of conducting these activities include a total of \$2,002,788 of joint costs, which are not specifically attributable to particular components of the activities (joint costs). These joint costs are allocated as follows:

Fundraising	\$ 377,821
Management and general	1,624,967
	\$ 2,002,788

Note 7 - Deeignated Funds

<u>Future Opereting Expenses</u> The Board of Directors has decided to invest a portion of contributions received and designate the funds to be used for future operational expenses. The following make up these designated funds at December 31, 2006 and 2005, and are recorded at fair market value:

	2006	2005

	\$ 197,615	\$ 188,176		

Note that the money market funds are recorded in cash and cash equivalents. These funds are restricted designations imposed internally and are recorded as unrestricted assets.

Ongoing Litigation A portion of the Foundation's funds are designated for ongoing cases in which the Foundation is currently involved. At December 31, 2006 and 2005, the Foundation has estimated future expenditures on existing cases to be approximately \$40,000 and \$47,000. The cases are classified in the following general categories:

		2005		
Public land/Natural resources	\$	15,000	\$	19,000
